

Texas Timber Operations Sales and Use Tax Exemption Certificate

Commercial timber producers must use this form to claim exemption from Texas sales and use tax when buying, leasing or renting qualifying timber items they will use exclusively in the production of timber products for sale.

You cannot use this form to claim exemption from motor vehicle tax when buying motor vehicles, including trailers. To claim motor vehicle tax exemption, you must give a properly completed Texas Motor Vehicle Tax Exemption Certificate for Agricultural and Timber Operations (Form 14-319) to the vehicle's seller or dealer. You must also claim the exemption on the Application for Texas Title (Form 130-U) when titling or registering the vehicle with the local County Tax Assessor-Collector.

Proper use of this certificate

Purchasers - You can only use this certificate for items you purchase for exclusive use in an exempt manner. You should be familiar with qualifying items. Any non-timber or personal use disqualifies this purchase from exemption. See the back of this form for examples of exempt and taxable items.

Retailers - You can accept this certificate in good faith at the time of sale if it is properly completed with an ag/timber number and expiration date. You can also accept it as a blanket certificate covering all sales made during the time this certificate is valid of qualifying items that can reasonably be used to produce timber products for sale.

I understand that I am required to keep records to verify eligibility for the exemption(s) claimed and that I will be required to pay sales or use tax on purchases that do not qualify for the exemption(s), in addition to any applicable interest and penalties.

I understand that it is a criminal offense to issue an exemption certificate to the seller for taxable items that I know will be used in a manner that does not qualify for the exemptions found in Tax Code Section 151.3162. The offense may range from a Class C misdemeanor to a felony of the second degree.
