EASEMENTS: Sale of property is subject to any and all recorded or apparent easements.

SURVEY: Seller shall provide a new survey where there is no existing legal description sufficient to convey merchantable title. Any need for a new survey shall be determined solely by Seller unless such survey is required by state law, local law, the title company, or other closing requirement. The cost of any required survey shall be shared equally by Seller and Buyer(s), unless otherwise stated in the auction terms and conditions. The type and scope of survey performed shall be at Seller's option and shall be sufficient for providing a standard form owner's title insurance policy and the transfer of merchantable title.

If a survey is completed, the bid amount for the surveyed tract(s) shall be adjusted up or down to the exact surveyed acres. For any tract sold on a per-acre basis, the adjusted bid amount shall be calculated by multiplying the accepted bid price per acre by the final surveyed acreage for the applicable tract(s). The one percent (1%) Buyer's Premium shall then be added to the adjusted bid amount to determine the final Contract Sales Price.

All advertised acreages, tillable acreages, tract sizes, and aerial tract boundary lines are approximate and are based on available records, including legal descriptions, FSA records, aerial mapping, GIS data, and/or other sources deemed reliable. Final acreage and boundaries shall be subject to survey, if applicable.

CONDITIONS OF THE AUCTION: The Auctioneer's decision is final in the event of a dispute over any Auction matter. The Auctioneer reserves the right to accept bids in any increments he feels are in the best interest of his clients and reserve the right to waive any previously printed or announced requirements. All Auction day announcements by the Auctioneer supersede any printed material or any other Auction statements made previously. The Auctioneer reserves the right to bid on behalf of any buyer. All Auction Sales Contracts will be presented to the seller for approval. The Auctioneer reserves the right to withdraw any property from the Auction, without penalty. Auctioneer may elect to cancel the Auction without penalty if Auctioneer believes that the outcome will not be in the Seller's best interest. If Seller is not present, the Auctioneer may elect to start or cancel the Auction without penalty. The Auctioneer shall be held harmless by buyer and seller should the property fail to go to a successful settlement for any reason. The seller, Auctioneer, and its agents shall not be held liable for any errors or omissions regarding Auction property. Buyer assumes responsibility to check with the appropriate authority/authorities regarding the property's zoning and current or future intended use as well as any restrictions or covenants affecting the property. Bidder(s) have the right and should examine the applicable county master plan and any municipal land use plans and maps for the area in which the property is located prior to bidding. The Seller, Auctioneer, and agents assume no responsibility for the information contained in said plan(s) and assumes no liability for failure by buyer to review the plans. The contract will not be contingent upon bidder(s) review of such plans. Auctioneer complies with all federal, state, and local laws regarding the buying and selling of property.
